Technical information

- Playing surface: 6 x 5 metres minimum
- Playing surface, including audience: 10 x 6 metres minimum
- Floor: black ballet floor which the theatre provides, brown protection paper on top of that which the company provides
- Masking: closed, if available
- Fly cue: no fly cues during the performance

Decor

On the playing surface there are:

- 3 wooden panels, covered with paper, on wheels
- a small wooden box on wheels

Sound

All the music is played acoustically. No amplification is required.

Lighting

The lighting plan has been added at the end of this document.

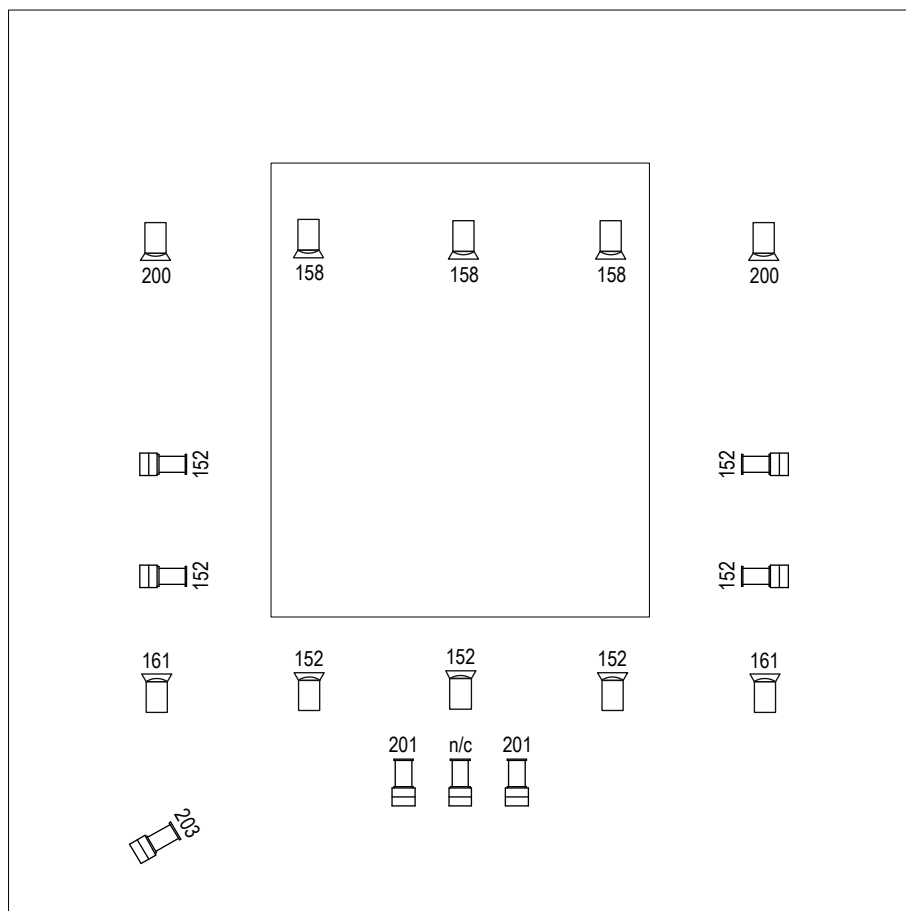

Requirements

We kindly ask the venue to provide the following:

- a clean floor, vacuumed and mopped
- a black ballet floor on the playing surface
- help with unloading and loading the van
- performing some small light changes during the performance by a technician of the venue (in case our own technician doesn't travel with us)

Audience seating

The ensemble brings along wooden benches and pillows
